

ODJFS Child Enrollment and Health Information Form

This 3 page form is a REQUIRED document from the Ohio Department of Job and Family Services. It must be completed in its entirety before your child may attend any Weekday Ministries program. It must be completed annually and updated as needed.

Tips for completing this form:

Include all information for both parents (if applicable). This would include work information and ALL phone numbers. If any information is not applicable, print N/A in that space. ALL SPACES NEED EITHER N/A OR INFORMATION. NO SPACE CAN BE LEFT EMPTY.

Weekday requires TWO (2) emergency contacts that are within 30 minutes from our building or closer. This is an additional requirement from what is listed on the form.

Read over the medication questions (page 2) thoroughly. If any medical condition requires monitoring or medication while your child is at our program, additional paperwork will be required. Specific forms are available on our website.

The Parent Handbook is available to view and print on our website, www.weekdayministries.org.

Please contact the office should you have any questions regarding the completion of this form. Your child will NOT be allowed to attend unless a completed form is on file at Weekday Ministries.
